Dear Constance,

Apologize for this note being overdue. Just want to express my personal thanks and appreciation for all you and your team did in putting together the Cargill reception. As you were aware, our visiting delegation included the Chairman, Vice Chairman and President of Cargill, as well as other senior managers of our company. Among those was my direct supervisor the President of the European sector.

The reception was in a word, "great". The gallery, food and wine were beautifully done. The gifts and bandaro band were simply exceptional. And for me personally it was a special treat to have our friend Halina's paintings on exhibition.

All those who attended had an excellent time. Thank you for making this such a memorable experience and introducing some Ukraine culture to our guests.

Best Regards,

Patrick H. Bracken
President
