Dear Constance,

We hope we manage to see you before we leave on Friday and hope that all's well with you.

We both want to thank you for your kindness in letting us use the Gallery for our party. It really is a perfect location and I'm glad that this occasion allowed a number of our friends to visit it for the first time. I didn't realise there were still people who didn't know it! The wife of Gordon, my successor at the bank, designs and makes jewellery and I saw she spent a lot of time talking to Oleksya.

We really want to thank Ina and Oleksya for all their great help, both before the event and on the day, in making the party a great success.

To stay in touch in the future, which I certainly want to do, for personal and for collecting reasons, please note my new e-mail address which can be used until I get hooked up in the new flat which I now have to find:

With all best wishes and our love.

Sue and John Petty
