Dear Ms. Uzwyshyn,

On behalf of the Board of Directors and the members of the American Chamber of Commerce in Ukraine, I would like to thank ARTEast for its recent Bronze Level Sponsorship for the 10th Annual American Independence Day Picnic in Kyiv. Over 3,000 people attended this year and our guests enjoyed tasty food, cold beverages and ice cream, as well as quick and friendly service. The scheduled events included a children's raffle, sports, live music, fireworks, hot air balloon rides, photos with Elvis and the most successful Grand Raffle in the history of the American Chamber of Commerce's Annual Fourth of July Picnic. This year's event was a resounding success and that credit belongs in large part to ARTEast's participation.

As you are aware, the Annual American Independence Day Picnic is a charitable event. The proceeds from this year's picnic will be donated to worthy charities throughout Ukraine.

Counterpart Alliance for Partnership (CAP) will match funds donated by the American Chamber of Commerce and will monitor how the funds are used. Furthermore, CAP will provide necessary training and technical assistance in order to ensure that the organization has the skills and know-how to serve and support their beneficiaries as effectively as possible.

The American Chamber of Commerce in Ukraine is excited and proud to have the privilege of coordinating this event again next year, and we look forward to ARTEast's involvement to make it even more successful and high profile than this year!

Sincerely,

Jorge Zukoski
