Dear Constance,

I would like to formally thank you for participating in the 2001-2002 CIDA/CBIE International Youth Internship Program. Your partnership with CBIE and our interns has made a lasting impact and we look forward to continuing our relationship with you in the future.

The role of the host organization, and especially of the interns' assigned mentor and supervisor, is crucial. CBIE appreciates the time, effort, and commitment you have demonstrated over the past six months.

At the end of the internship, the interns had the opportunity to speak with CBIE personnel about their experience in Ukraine. Based on this and the evaluations we gathered from all of the host organizations, we plan to implement a few changes to strengthen the program even further and will contact you about this in the coming weeks.

We are also beginning to recruit interns for the new 2002-2003 program and our anticipated deadline for potential interns to send us their application is May 27, 2002. Following this, we will again conduct telephone and "in-person" interviews as well as language testing and will forward this information to you by e-mail for your final selection.

We look forward to your continued support and once again thank you for your efforts in the past
