Art East

Dear Art East's Management,

On behalf of Kyiv International School and our Parent-Teacher Organization, thank you for your contribution of hand made ceramics to be used at our annual School Festival in our silent auction. Your kind donation provided our school's children with support for school activities and playground equipment.

Again thank you for your support. There is no better investment than in children. They are our future, and our hope for a better world.

Sincerely,

E. Michael Tewalthomas
