Dear Ms. Uzwyshyn,

On behalf of the Board of Directors and the Members of the American Chamber of Commerce in Ukraine, I would like to thank **ARTEast** for its recent Bronze Level Sponsorship for the 11th Annual American Independence Day Picnic in Kyiv. Over 3,000 people attended this year and our guests enjoyed tasty food, cold beverages and ice cream, as well as quick and friendly service. The scheduled events included a children's raffle, live music, fireworks, hot air balloon rides, souvenir photos and the most successful Grand Raffle in the history of the American Chamber of Commerce's Annual Fourth of July Picnic. This year's event was a resounding success and that credit belongs in large part to **ARTEast's** participation.

As you are aware, the Annual American Independence Day Picnic is a charitable event. The proceeds from this year's Picnic will be donated to worthy charities throughout Ukraine.

The Eurasia Foundation through their Corporate Matching Grants Program will match funds raised at the Picnic and ensure that the charitable contributions from the Picnic are donated to legitimate NGOs who will be supported in their endeavors and their expenditures monitored to guarantee proper utilization of all funds.

The American Chamber of Commerce in Ukraine is excited and proud to have the privilege of coordinating this event again next year, and we look forward to **ARTEast's** involvement to make it even more successful and high profile than this year!

Sincerely,

Jorge Zukoski
President
