Dear Ms. Uzwyshyn,

On behalf of the Board of Directors and the Members of the American Chamber of Commerce in Ukraine, I would like to thank you and the ARTEast for the recent Sponsorship of the Annual AmCham Holiday Charity Ball in Kyiv. The guests of this year's very exclusive event were treated to a sumptuous meal in an elegant environment as well an opportunity to try their luck in the Charity Casino or place their bids in the Silent Auction of beautiful art work coordinated by ARTEast and items donated by some very famous Ukrainian friends of the AmCham. The Ball was a resounding success and that credit belongs in large part to ARTEast's participation and generous donation.

As you are aware, the Annual AmCham Holiday Charity Ball is a charitable event and this year all funds raised will be donated to worthy charities throughout Ukraine in conjunction with the Eurasia Foundation's Corporate Matching Grants Program. We will be working closely with the Eurasia Foundation to identify and implement projects that will utilize this money wisely and with the most impact. The Eurasia Foundation will also match each dollar for dollar thereby doubling the much needed funds raised at the Ball.

The American Chamber of Commerce in Ukraine is excited and proud to have the privilege of coordinating this event again next year, and we look forward to ARTEast's involvement to make it even more successful and high profile than this year.

Sincerely,

Jorge Zukoski
President
